

Spaghetti Alphabet

just for kids.

Teaching Objective:

To help children form the letters A-Z using cooked spaghetti noodles.

Items Needed:

- Water
- Pot
- Spaghetti Noodles

Activity Description:

1. Once your children know the alphabet, have them create the letters using cooked spaghetti noodles. Make sure you let them know you got your noodles from your food storage.
2. Once you have cooked your noodles, have your children create the letters A-Z using the noodles. Make sure they eat their letter once they are done!
3. Once they have created the whole alphabet, try creating simple words like cat, dog, can, etc...
4. Ask them if they prefer to write with a pencil, or if they like to create letters with noodles.

You will be amazed at how much fun it is just to play with noodles!!
